As we mentioned, a final order as to La Posta TLE would be similar to the attached settlements with the various tribal defendants from the AMG case.

Gregory,

These revisions are very helpful. I intend to give it one more pass as I have some additional ideas more related to ensuring that my clients will be able to comply, less related to substance.

In the meanwhile, I know at one time I reviewed the settlement language with the Modoc Tribe, the Santee Sioux Tribe, and the Miami Tribe, but could you send copies of those agreements? You mentioned that any settlement with my clients would follow those formats, so I'd like a chance to begin review of what that means when it is put on paper.

Justin,

Attached is a revised stipulated preliminary injunction. Please see the revised findings A and C—I believe this should resolve your issues.
